

Dear Sir—A very pleasing feature about the Amateur Contest run on by the Canadian Legion and a feature which contributed in no small way to the success of the evening was the punctuality and promptness which was observed. They started on the dot, and with no tedious delays, ended up punctually at 10 o'clock as advertised. The war would never have been won had the boys overseas been as lax in their observance of punctuality as most of us are. Seconds delayed or would mean loss of life and disaster. Today, delay in starting our entertainment finds the audience in an irritable frame of mind, which is not the state of mind most likely to invite appreciation and enjoyment.

I think the Legion has set an example which we would do well to emulate.

Yours truly,
SPECTATOR.
Joffre, November 17, 1936.

Sunny Alberta Climate at Its Best

"It's June in January" was a popular piece of music two years ago, but not nearly as popular with the citizens and farmers of Lacombe and district as our present "May in November."

Countless pedestrians still appear on the streets, not out of bravado, but truly because coats are not needed in the daytime. The only persons with long faces are the coal dealers.

With no snow on the ground, and with weather resembling Spring, farmers report that more work is being done on the land than has been done in the fall for some time.

Hockey was in full swing at this time last year, but to date, no ice is available for practice. The Curling Club officials are bogged down, skiing is still a pipe dream to this form of winter sportsman's league is the order of the day for school students, and golfers are "going to town" on the links.

Some weather! Why go South?

Girls' Work Leaders Speak Before C.G.I.T.

On Wednesday, Nov. 11th, at 12:30, a banquet was given by the C.G.I.T. girls in honor of Miss Carcaden, Girls' Work Secretary in Alberta, and Miss Griffiths, Dominion Young People's Secretary.

After having been at the train and entertained them at her home until 12:30, when the banquet began. Following the dinner, Miss Nellie Gail left a brief talk.

Miss Griffiths then told of the C.G.I.T. movement in other lands. Some of the places she mentioned were Trinidad, Japan and Angola, Portuguese West Africa.

The girls in Canada had been sending letters and scrap books to these places and have received some interesting letters and posters in return.

Tells of Conditions
Miss Griffiths told of the appalling conditions in West Africa that have been considerably corrected, since the church had sent missionaries had adapted their ideas to conditions there and thus are helping the natives to live cleaner and healthier lives. Some of these improvements were the introduction of soy beans, stoves, windows and eggs.

She told of the great increase in the movement in Trinidad and Japan and other places and of the wonderful leaders that are carrying on the work there, many of whom are natives of those countries.

Following this speech, the girls broke up into two discussion groups, one lead by Miss Carcaden and the other by Miss Griffiths.

At 4:30 p.m. the leaders left for tea at the home of Mrs. Layton and a very interesting and instructive afternoon came to a close.

Junior Hockey Team To Hold Meeting

A general meeting of the Junior Hockey Team, called at the request of the president, Alf Price, is being held Wednesday night next, November 25th, at 8 o'clock in the Fire Hall.

G. E. White, secretary of the club, asks that all interested in Junior hockey attend the meeting. All players from last year's team are especially requested to attend. Business of the club will be looked after, a new slate of officers elected and tentative plans for the coming season discussed. A fine attendance is expected.

"There are no more patronizing smiles in Europe and Asia on the subject of American diplomacy," Hugh S. Johnson.

This Week's Thought
The easiest person to deceive is one's own self.

Six Team Hockey League to Function

Central Alberta Hockey League to include Innisfail, Red Deer, Lacombe, Stettler, Bashaw and Ponoka Clubs

The annual meeting of the Central Alberta Hockey League was held at Lacombe on Sunday, Nov. 15th, the president, Robert McKenzie, of Lacombe, presiding. Two delegates from each of six clubs were present, as follows: Innisfail, W. Payne, T. Kirkham; Red Deer, L. Deane, Clint Richardson; Stettler, R. Shepherd, E. McMahon; Bashaw, L. Hardy, H. R. Avery; Ponoka, C. Algar, Charles Lewis; Lacombe, C. Williamson, W. Avery.

After some discussion, in which delegates from the different clubs expressed their views, a motion that a six-team league be formed, composed of the aforementioned clubs, was carried.

New Officers
The following officers were then elected: Honorary president, Dr. J. P. Long, Red Deer; president, Robert McKenzie, Lacombe; vice-president, R. Shepherd, Stettler; secretary-treasurer, James Shaw, Lacombe. The president of the different clubs will compose the executive, the league president to have the deciding vote in case of a tie.

A report of the highlights of the annual meeting of the A.A.A. held in Edmonton, November 7th, was given by the Lacombe delegate, Sam Halton, and other business was discussed. It was voted to continue last year's bylaws in force again this year, the league fee of \$5 to accompany the registration of players for each team.

To Start December 1st
A committee composed of the league president, secretary and Claire Williamson, Lacombe, was appointed to draw up a schedule to start on Tuesday, December 1st, consisting of two rounds.

A league play-off will take place, in accordance with the new regulations for the Morgan Cup, first and third, also second and fourth, teams playing home and home games, total goals to count. Winners are to play a three-game series, games to count.

Fairview Man Hurt When Team Bolts

When a team he had unhitched from a wagon took flight and bolted, J. R. Johnson, of Fairview, district was painfully injured last Friday.

It is reported that after unhitching the team and leading them to the barn, one of the lugs caught on a sleigh sitting in the yard, causing the horses to take flight. Mr. Johnson was knocked down on to the sleigh. His glasses were broken, his face and forehead cut, his throat badly gashed and one rib cracked. Several stitches were required to close the throat wound.

The latest report received states Mr. Johnson is slowly recovering from his harrowing accident.

No Men's Club Meeting Next Week

In deference to a banquet being tendered E. Walter Shupson by the officials of surrounding municipalities, in conjunction with the officials and representatives of M. of Crown and District Board of Trade, in the Adolph Hotel on Tuesday night next, at which a number of members will attend, the regular meeting of the Men's Club has been postponed.

The next meeting of the Men's Club will therefore be held Tuesday, Dec. 8. Members are kindly requested to keep this in mind.

Increase In Jobless Is Serious Problem

Road Work Proposed to Relieve Situation; Edmonton Returns Mayor Clarke; Social Credit Candidates Defeated

By T. B. WINDROSS
EDMONTON, Alta. — The civic election in the Capital province some surprise but not as many as were possible. Mayor Joseph A. Clarke, who ran under an unofficial Social Credit backing, returned to office for another term, and J. M. Douglas, Citizens' candidate in the mayoral fight, was defeated in a close struggle.

This had been predicted, but the peculiar thing about the result was that the whole slate that followed Mr. Douglas was elected. This reveals the fact that it wasn't against the platform the electors voted in the mayoral fight. It was either a rebuff to Mr. Douglas personally or a strong endorsement of Mayor Clarke's administration.

Three Social Credit candidates for aldermanic seats were defeated: Rice Sheppard, Daniel Powers and W. P. Bullock. This was surprising, as the provincial general election the first choice for Social Credit candidates numbered about 13,000, while in the civic election just ended the Social Credit vote amounted to 13,000 for the three defeated candidates.

The new aldermen are H. J. Macdonald, J. W. Fry, J. H. Ogilvie, J. T. McCreath and A. Bisset, all of whom ran on a platform opposed to the policies of Mayor Clarke.

The proposal to extend the term of office for mayor to two years with defeat in the civic election, 1939, against the change and 12,511 for it.

Hon. Norman Rogers, Dominion Minister of Labor, was in the Capital Thursday and consulted with Hon. Dr. W. M. Cross, Minister of Health in the provincial government regarding the problem of single unemployed men in Alberta. The increase in their numbers has been (Continued on Back Page)

Explains Work of Missionary Society

Inspiring and giving intimate glimpses of the varied work carried on by the United Church Missionary Society, was an address by Miss Isabelle Griffiths, Young People's Secretary for the Dominion, at the regular Thanksgiving meeting of the Lacombe W.M.S. on Friday evening, Nov. 13th.

Beginning with a brief resume of the inception of the W.M.S., Miss Griffiths compared the status of women in Christian countries to that of women in Oriental lands. She told of conditions in Newfoundland and the hardship created there by the destruction of her fish markets by the war in Spain and Italy.

Miss Griffiths also told of the two hospitals in Northern Ontario at Hearst and Matheson, which serve large areas of territory; of the school homes for girls at North Battleford and Edmonton, filled with young people who would get schooling no other way; of the Church of Nations at Toronto, which serves many different nationalities, which is the centre of the community life; of Christian Korea and the sacrifices made by W.M.S. women there to serve the message on to those of their race in China.

With over 70 nationalities in Canada, the United Church has every Sunday preaching services in 28 languages.

Organization Should Grow
The W.M.S., said Miss Griffiths, is not only an organization but a point of view, which should cause its members to grow rather than to just hold meetings.

Interesting slides were shown following the address, and at the conclusion of the meeting Miss Griffiths displayed the native dress of the women of China, Japan, India and Africa, and the proper method of adjusting the clothing.

The president, Mrs. U. E. Reeves, president, and a duet by Mrs. J. Lamont and Mrs. John Macdonald, and a solo by Miss Margaret Watt gave much pleasure to the audience. Mrs. E. L. Misener moved a hearty vote of thanks to the speaker, for her informative and interesting address.

Constituency Stamp Vendors Appointed

According to the Alberta Gazette, Nov. 14th issue, the names of persons authorized to act as vendors of Alberta Prosperity Certificate stamps in the Lacombe constituency are as follows:

Tom Wilton, Alex. John Blash, Bentley; R. E. H. Warren, Blackfalds; C. T. Coote, Clive.

G. H. England, Joffre; T. Hampson and Henry Howe, Lacombe; Jas. Russell, Mirror; Gerald Fry, Tees; John Lakeman, Haynes.

Further, it is stated that the Provincial Treasurer may from time to time appoint other authorized vendors, or cancel the appointment of any authorized vendor, as may be expedient for the public interest.

U.F.A. President to Address Meeting

President Robert Gardiner of the U.F.A., who is touring rural Alberta, will address a meeting arranged by Director H. E. Heath at Forsyth Hall on Monday, Nov. 23rd, at 8:30 p.m. Everyone welcome.

Joffre Boy Seriously Injured By Horse

Junior Sawyer Has Skull Fractured Monday; Recovery Still Uncertain

Suffering from a fractured skull and a broken jaw, received when kicked by a horse Monday evening on his father's farm, 15 miles northeast of town, 15-year-old Junior Sawyer is now confined to Lacombe Hospital.

He was found by Lyle Perkins in the hayloft of the barn, unconscious, having evidently climbed there to get out of the way of horses which were loose in the barn, and one of which kicked him.

He was rushed to the local hospital, where a surgeon's examination showed that the jaw was broken and the skull fractured.

The boy's parents, Mr. and Mrs. P. M. Sawyer of Joffre, are at present attending the Royal Winter Fair in Toronto. At the time of writing (Wednesday) the boy is resting well, although recovery is, as yet, uncertain.

Blackfalds Old-Timers Celebrate Birthdays

BLACKFALDS, Mr. Fay one of the oldest old-timers of this district, celebrated his 84th birthday on Nov. 5th, amid the warm congratulations of his many friends.

Mr. Fay was born in the Blackfalds district in 1851, and has since that time been a resident of the town. He has been married for 50 years, and has four children, all of whom are now living.

Mr. Fay is still very active and may be seen out every day in all weather, attending to his chickens and doing other chores around his home. His friends here hope he will be spared to enjoy many more years in our midst.

In the evening, members of the Ladies Aid called and presented him with a pair of slippers and a pair of gloves.

Mrs. Shillington was also the recipient of congratulations last Saturday, when she celebrated her 70th birthday. Relatives and friends gathered at her home to offer congratulations.

St. Cyprian's Church Vestry Meets

A meeting of the St. Cyprian's Church vestry and a special financial meeting was held in the Adelphi Hotel Tuesday night for the purpose of making an emergency appeal for funds, this appeal being necessitated by recent provincial legislation.

The meeting was addressed by E. Ballantyne, manager of the Bank of Montreal, Red Deer, and Rev. W. E. Herbert was the chairman. The appeal is being made throughout the Calgary Diocese, in which St. Cyprian's Church is a unit.

Around the Town

Charles Geiger of Didsbury spent Monday visiting his sister, Mrs. Al. Meaton, here.

Dr. and Mrs. W. T. Hynes and Miss Margaret Hynes returned from Vancouver last Thursday night, Nov. 20th. You are assured a good time. Gents 35c. Ladies please bring coats.

C. D. Marble, manager of the local branch of the Royal Bank, left on Monday for Mayo Brothers' Clinic, Rochester, where he will receive a thorough examination. His many friends are pulling for him to return, completely cured of his ailment. Dr. W. E. Hynes accompanied Mr. Marble to Rochester.

The Home League of the Salvation Army will have a Sale of Sewing Machine and Afternoon Tea at the Oddfellows' Hall on Saturday, Nov. 28th.

Mr. and Mrs. H. L. Brown and Mr. and Mrs. Jesse Fraser were Sunday visitors in Edmonton.

In the report of the Men's Club meeting last week it was stated that the Ladies' Guild supplied the supper. This was incorrect, as the splendid repast was prepared by the Women's Missionary Society of the United Church.

Miss Phyllis McCaugherty left for Edmonton on Monday after visiting her parents, Mr. and Mrs. H. McCaugherty, for a few days.

Alexander Chapter, O.E.S., are holding their annual A.Y.P.A. Red Cross Tea and Sale of Baking at the home of Mrs. Robert M. MacKenzie on Saturday, Nov. 28th, from 3 to 6 p.m.

Increase Shown In Registration

A total of 436 Lacombe residents registered for the coming Town elections, according to figures released at the Town Office Monday.

This registration figure is far in excess of that of last year's, and seems to indicate growing interest in the selection of Town officials.

Shorthorn Club to Meet Next Saturday

The annual meeting of the Central Alberta Shorthorn Club will be held in the Town Hall, Lacombe, at 2 p.m. on Saturday, Nov. 21st.

Election of officers, arranging the activities of the club for the ensuing year, drafting of resolutions to the Provincial Shorthorn Breeders' Association and many other questions of importance will be discussed.

The executive feels that if the Central Alberta Club is to remain active and continue to justify its existence it is necessary to arouse the interest of all breeders in the central part of the province to such an extent that they will become members and take an active part in the work.

Co-operation is invited, as this organization can do a great deal toward furthering the popularity of the Shorthorn breed by sponsoring judging competitions and through holding meetings, field days, picnics, etc.

To date the efforts of the club have been well repaid by the outstanding success of four members: first Henry Magill and Edward Chesser, who won the Dominion Beef Cattle Judging Competition at the Toronto Royal, in 1934, a very distinct honor, and then by Thomas Biglands and Edwin Pethybridge, who duplicated this feat in 1935.

Come out to take part in the annual meeting on the above date.

W.M.S. Meeting Hears Interesting Subjects

An article on Healing and the use of Christ made this power during His ministry, was read at the W.M.S. meeting on Tuesday by Mrs. E. L. Misener.

"God does not send sickness, neither is it His will," as so many folk in the past have sorrowfully believed. Today God heals in various ways: by climate, medicine, mental suggestion, and by the power of His holy spirit.

Mrs. Love took the devotional exercises, the topic being "Jesus the Great Teacher." Mrs. Hugh H. read a paper on "Christian Stewardship," which emphasized the fact that Christ comes to His people not only in a crisis, but in the little things of life. A chapter from the study book, "Women of the Far Horizon," was read by Mrs. A. Gilmore.

The supply secretary read a letter from the St. Joseph's Hospital, acknowledging receipt of a bale of clothing. It spoke of the destitution of many people in that district and of the great help the clothing would be.

Mrs. C. Danner, Mrs. U. E. Reeves and Mrs. C. E. Todd were appointed a committee to arrange for a bale table and sale of aprons at the Evening Auxiliary on Dec. 4th.

The suggestion was made that all W.M.S. members follow the selected daily Bible readings listed in the November Missionary Monthly. The December meeting is to be held at the home of Mrs. E. L. Misener.

Local Prize Winners at Winter Fair

Included in the Alberta wins in the grain competitions at the Royal Winter Fair at Toronto, which includes six Alberta winners, A. W. Ardley of Tees took 10th prize in the wheat growing class. Herman Trelle, Wembley, won the first award. In the prize winners for Butter, Lacombe Creamery, Lacombe, and Bluffton Creamery, Bluffton, are listed.

Weddings

Married at the Manse, Lacombe, by Rev. R. B. Layton on Monday, Nov. 9th, Enid Brunken of Nelson, B.C., to Errol Hope Tillotson, daughter of Mr. and Mrs. Ernest Tillotson, Lacombe.

A marriage took place at the residence of Mrs. Mary Patry McKay, Blackfalds, on Thursday, Nov. 12th, by Rev. R. B. Layton, when McKay was united in marriage to William James McEwen of Elgin, Manitoba.

Police to Make Fire Inspection of Homes

Business Speedily and Efficiently Completed at Town Council Meeting

Several decisions were made, motions passed and all routine business finished in record time of 1 1/2 hours at the regular meeting of the Town Council held in the Town Hall Tuesday night.

It was decided that a fire inspection of the residential section of the town should be made, and upon the advice of the council, Councillor B. S. Cameron, chairman of the police committee, will have the local police make the check-up. This inspection is to start immediately.

A motion "that a reward of \$10 be offered for information leading to the conviction of any person causing damage to Town property, and that cards be printed to this effect" was passed.

Councillor P. C. Owen reported the fact that tax collections were satisfactory. Councillor W. C. Sweet informed members of the council that inspectors on the St. Patrick Rink were practically completed.

It was decided to send Constable R. Warrier to Ponoka to investigate the claims of three parties demanding relief from this town. The meeting rose at 9:45.

Miss Beth McDermott Honored at Party

Miss Beth McDermott, whose marriage took place shortly, was the honored guest at a charmingly arranged surprise party and dance on Monday night, held in the Central Alberta Pavilion.

Over 150 of the younger set were present and the affair proved most enjoyable. At midnight a dainty supper was served, the tables being attractively decorated with mountain ash and favors. Miss McDermott was presented with a chest of silver. Mr. Stewart Fraser making the presentation. Bob King gave an exhibition of tip dancing.

The committee in charge of the arrangements was composed of the Misses Babe Chisholm, Jean Henderson, Mrs. McLeod, Albert Peterson, Margaret Masters, Jeanne Hunter, Lorna Chisholm, Maxine Fitzgerald, Mary Semple, Margaret Ranton, and Mrs. McEwen, Mrs. Stewart Fraser and their friends.

Willis Hoppus to Get Tryout With Luscar Indians

Willis Hoppus, well-known Lacombe hockey and baseball player, left last night for Luscar, Alberta, where he has obtained a position with a coal mining company. As soon as practices begin, Hoppus will have a tryout with the Luscar Indians, the fast senior amateur hockey team which has represented the town for many years in the Alberta play-offs.

With only two of last year's players on hand, the Indians are building a new team and many players will be brought in from outside points.

Sport fans in Lacombe are hoping that Willis will be able to hold down a place on the team when the season opens.

TO FORM SCHOOL HOCKEY LEAGUE

A hockey league will be formed in Lacombe school, this league to consist of three teams from the High school and one from the Public school. Arrangements are not yet completed, but it is anticipated the league will play twice weekly during the hockey season.

Do You Remember... 'Way Back When?' (From the Minutes of the Town Council)

36 YEARS AGO—NOVEMBER 1906
A motion that the Secretary refer the application of Mr. G. G. Moley for permission to remove Morrison and Johnston's old store building to the corner of Gourlay St. and Hamilton Ave. to the Public Works Committee, was passed.

Upon advice offered, it was decided to employ only one night watchman instead of the two now patrolling the streets.

25 YEARS AGO—NOVEMBER 1911
A bylaw appointing J. G. Frizell night watchman was passed. Councillor C. B. Halpin tendered his resignation from the council, this to take effect on the last day of the month. Resignation was accepted.

An election to fill the vacancy left on the town council by Councillor C. B. Halpin's resignation was ordered called.

A petition was read asking the council to build a crossing from the front of Dolmage St. to the door of the new C.P.R. station.

GETS GOOD BAG

RIMBEY. Leonard Beddoes, who went 40 miles west of Rocky Mountain House five days ago with a hunting party, has sent back word that they have five moose, a deer and a cougar to their credit.

Others of the party were James and Robert Layton, Alec and James Jeffrey, and Clair Thomas. Sam Nimbley, Robert Watts and W. J. Lynn returned to their homes in Rimbey with plenty of game.

Bentley

BENTLEY. — Messrs. Berger, Johansson, Elmer and Haskon Bergstrom were passengers to Edmonton on Thursday last to meet Mr. Swart, Swenson, who had just returned from a trip to Sweden. He will visit relatives here for a short time before going north.

Mr. and Mrs. J. F. Miller are week-end visitors in Edmonton, where they will visit the G. Taylor and Campbell Miller families.

Mr. and Mrs. Sam Leiske are visiting relatives at Calgary and Bessie this week. During their absence Mr. and Mrs. John Wents are looking after the farm for them.

Mrs. Wilfred Thorpe was visiting her sister, Mrs. George Beddoes, last week.

Miss Deryl Beddoes spent the week-end with her grandparents, Mr. and Mrs. M. Sain.

A successful Whist Drive. The whist drive and dance held in the Community Hall on Friday evening last was a very successful

affair. It was put on by the Ladies' Hospital Auxiliary to raise funds toward the payment of the electric refrigerator purchased for the hospital. About \$50 was realized. Twenty tables of whist were in play. Mesdames C. B. Haskin, A. B. Haskin and Mrs. M. Peterson received the highest prizes and Messrs. Wm. Serratt, C. J. Sankin and C. Haskin the gent's prizes. Mrs. O. Hedemark of Sylvan Lake held the lucky ticket for the china dinner set. Robt's orchestra furnished the music for the dance.

The ice on Gull Lake is reported to be in fine shape for skating. Several skating parties have been on the program for the past few days. Practically all the youngsters, many of the Dads and some of the Granddads skating.

Hold Box Social
On Saturday evening last, a box social was held at the Gull Lake School, the proceeds, to be used towards the building of a skating rink at the school.

A good crowd was in attendance and about \$30 was realized. An amateur program proved amusing and provided entertainment and a candy box was well patronized.

Mr. Bill Thorpe held the lucky ticket for the grab box.

A tax sale of lands advertised to take place at the Municipal Office, Bentley, Municipal District of Lorne, on Monday did not materialize. One or two parcels were offered but found no bidders. Some parcels had been redeemed before the date of sale.

Clive

CLIVE. — George Reid of the Central Garage, Clive, was married on Wednesday, Nov. 10th, to Miss Althea of Teas. The wedding was performed by Rev. Kettley at the home of the bride's parents in Teas.

Wm. Barnes, a former old-timer of Clive, is visiting his son Earl at present. For the past six years Mr. Barnes has been farming near Boyle, Alta., but has sold out there and is on his way to reside on Vancouver Island.

Harry Hutchcroft, a former resident of this place and the past 18 years employed at the Ponoka Hospital was in town on Tuesday renewing old acquaintances.

The W.A. of the United Church met last Thursday at the home of Mrs. H. M. McCormack. There was a large crowd of ladies present. The most important part of business was the banter to be held Saturday, Nov. 28th. After the meeting a delicious lunch was served by the hostess, assisted by Mrs. Williams.

Mr. P. Chapman and children left on Monday for South Vancouver, where they will take over a grocery store. Mr. Chapman will remain in Clive this winter.

Mr. and Mrs. D. Hodgins have moved into their house in town after a few years spent on their farm, southeast of town.

The Anniversary service on Nov. 11 at the United Church was well attended.

Returning to Wetaskiwin
Mr. Robert Cunningham will return to Wetaskiwin again this Fall to attend Bible school. We wish him every success.

Mr. and Mrs. E. L. Reynolds are entertaining a friend from Edmonton.

The friends of Mrs. C. T. Coole will regret to learn that she has been confined to her home for several weeks with rheumatism.

Miss Dorothea Allison who is teaching school at Big Prairie, visited her parents, Mr. and Mrs. W. E. Allison, over the week-end.

Mrs. J. G. Cameron of Vancouver is visiting with her brother and sister-in-law, Mr. and Mrs. N. J. Nesbitt, for a few days, on her way back from the East.

Mr. and Mrs. D. F. McCatchen and Mr. and Mrs. M. Ramsey of Sylvan Lake visited at the Nesbitt home on Sunday.

National Mission Services

Services in connection with the Interdenominational Mission in Canada were held last week at Spring Valley by Messrs. Kettley and Waterman. They are speaking this week at Joffre Hall. Beginning on Nov. 23rd these meetings will be held in Fairview Church, where Revs. Waterman and Layton will assist the minister, Rev. J. A. Perry. It is hoped that meetings will begin at Lacombe on Nov. 30th.

The Globe Gets Results

A Tragedy of Youth

George McCallum is just 18 as the calendar goes, but he has lived many more years of life than most. George's story came to light in a Toronto police court when he was accused of a charge of tampering with railway property. As a result he is now in jail.

George stood before the court with his head bowed, and his hands behind his back. He was dressed in a suit and tie, and his hair was combed back. He looked tired and sad.

George had a brother Fred who had no mother, no father, no relatives. Most of their lives they had spent in an orphanage, but they decided to hit out for themselves and make their place in the world. It was a hard and glorious old world, they found. They "coddled the road" and, smiling, went by their trade name, the "coddled road". They were up and off that day and there was some work to be done in Guelph and they climbed aboard a train and set out heading to get enough to keep them for the winter.

Fred Was Killed
On their way through Toronto, the train stopped and they alighted in a box car. Fred, perhaps out of a sudden impulse, stepped out, or tried to, in a moving truck in the yard. His hand slipped, he fell and was killed. George didn't know about this for several hours until police arrested him and took him to jail.

Now George was all alone in the world, friendless, penniless, hungry — what would he do? He had no money, no friends, no family. But there are kindly people in Toronto, George found. The police, who heard his story, looked towards the Salvation Army. The Salvation Army took him in and he found a home. He was given a job and a place to live. He was happy and content.

—Central Press Canadian Photo

GEORGE MCCALLUM

he thinks all those kind-hearted folks who have rallied to his aid. But though he won't go hungry for a while, he is still alone; his brother Fred is gone forever.

Store Vegetables In Home Cellar

The storage of root vegetables for home use during the winter months presents little difficulty. Beets, carrots, cabbage, celery, parsnips, potatoes, and rutabagas, more commonly known as winter vegetables, can be stored in any frost-proof cellar, dark, but properly ventilated.

The most suitable temperature for storage is 35 degrees Fahrenheit. In this case, states T. C. Ritchie, Chief Assistant Horticulturist, Central Experimental Farm, Dominion Department of Agriculture, the vegetables chosen for storage should be well-grown, free from insect injuries and other blemishes, and should be of medium size. Medium-sized vegetables, fully grown, have much better quality than the larger, over-grown products.

A good storage place can be cheaply constructed in the corner of a dwelling house cellar, using either lumber or insulation board. A row of shudders erected with shabbing on the outer and inner sides will prevent the extreme rise in temperature caused by the furnace. The door of the storage compartment should be constructed to correspond with the walls and have two sliding panels, one at the top and the other at the bottom, as a means of regulating the temperature during very cold weather. It is better if the window on the outside wall of the cellar can be used as a ventilator.

For Concrete Floors
If the cellar floor is concrete, a thorough layer of sandy loam soil should be spread on the part enclosed in the vegetable storage compartment, applying water to the layer of soil at intervals. This soil will also be useful for the storage of the cabbage and the celery plants, which should be stored in an upright position with the roots attached, the cabbage with the heads touching and the celery placed as closely together in rows, but with a space of eight inches between the rows.

Shredded blins made of lumber, one inch thick by three inches wide, for ends, sides and floors will allow aeration and prevent loss through heating. The root crops and potatoes can be stored in these, and when the cabbages and celery are taken from the garden for storage, the loose soil attached to the roots should be carefully removed and the rough leaves stripped off.

HAVE IT PRINTED AT THE GLOBE

Will the Act Function?

The people of Alberta are entitled to judge for themselves the fairness and justice of The Reduction and Settlement of Debt Act. This is the first of a series of short statements concerning the Act, and its effect on you.

Will the Act function? Be it just or unjust, will it work? There are cases pending in the Courts in which the question of the validity of the Act is raised. Until the decision of the Courts is rendered, it is natural that lending companies cannot be expected in the meantime to prejudice their rights. Companies have been and are still prepared, regardless of what the decision of the Courts may be, to enter upon negotiations and explore all avenues in an effort to arrive at arrangements fair to debtor and creditor, a course which was recently followed by companies doing business in the Province of Saskatchewan.

Debtors should think over their position, and the doubtful security the Act might provide, before brushing aside the undertakings they entered into when they obtained their loans. Those who are not debtors should think what their position will be in a community where promises are lightly cast aside. If you cannot trust your neighbor—if your neighbor cannot trust you—what becomes of security and the basis upon which business and all other human relationships rest?

This statement is one of a series written by The Mortgage Lenders Association of the Province of Alberta. The association is composed of 34 member companies. It represents hundreds of thousands of small investments by typical Canadians. Its loans to citizens of Alberta amount to some forty-five million dollars.

(The second statement in this series will be published in two weeks)

"Watch the NEEDLE JUMP when I turn on the Light!"

Let us protect your eyes by checking your lights with a sight meter, new scientific instrument that measures light and tells how much you need for any task. This service is free.

It's like a fascinating new toy... this amazing electric eye that measures light. It shows you instantly whether your home is adequately lighted for reading, sewing, and other tasks. Perhaps you have enough light now. But not one modern home in ten has enough to prevent eye-strain. There is

one sure way to find out. Have a Sight Meter check-up made at once! Phone us today... and we'll send out a lighting expert to measure your lights with one of the new Sight Meters. This service is free... and it may be of immeasurable value to the eyes of your family.

May Robson Stars In Splendid Film at Avalon Theatre

Audiences of all kinds will roar with delight over May Robson's first starring vehicle under the Universal banner, which comes to the Avalon Theatre in Lacombe on Thursday, Friday and Saturday nights of this week. It's a pip of a picture.

Miss Robson as a fabulously rich and savagely domineering old spinster whose heart is melted when an accident thrusts her into the home of a humble barber and his adopted brood, has a part that gives her a real chance and she triumphs magnificently, with every ounce of emotional value captured and sustained. A supporting cast whose excel-

lence is amplified by the many character parts that are rich and real in human values; a production of outstanding excellence and a skillfully and sympathetically written script by Barry Trivers and Sam Ornitz.

"King Solomon of Broadway," starring Edmund Lowe, is the picture on the other half of this week's big double bill. It is a picture brim full of action along New York's Great White Way.

"I saw him with one arm round the lamp post, and with the other he was knocking on the standard shouting: 'Open the door and let me in.'"

"I told him that no one lived there and he said: 'You are a liar. There is a light upstairs.'"

Local Marksman Wins Gold Pin

H. D. Winter, Lacombe marksman and member of the Straight Shooters' Club, Lacombe, has been awarded a gold pin in the Dominion Marksman 22 Sporting Rifle Competition.

Using an ordinary sporting rifle and shooting from a distance of 20 yards, he tallied 987x100, topping by seven points the required 98 per cent needed to win a gold pin. The excellent marksmanship of this local marksman can be judged from the fact that although over 10,500 Canadians in all parts of Canada are shooting in this competition, to date only slightly more than 300 gold pins have been awarded.

Rimby

RIMBEY—The November meeting of the Rimby Social Credit group was held Monday night in the Lewis barber shop, with the group president, Ben Gunn, in the chair. Chas. Letroy, president of the Symonds group, attended the meeting and suggested co-operation between the two groups in sponsoring a broadcast from either Edmonton or Calgary. No definite action in regard to this matter will be taken, however, pending the organization of this zone.

Zoning of this district will be considered on Monday next following a public meeting in the Rimby Hall, when Mrs. Edith Rogers, M.L.A. of Ponoka, will discuss the new woolen project, contemplated for the town of Ponoka.

Temporary arrangements to secure the Peabody residence on Main St., Rimby, have been made, and the group will hold regular meetings there until further announcement. M. Kennedy and R. Lewis will be in charge of the program for the December meeting.

Organize New Local

At a meeting of the teachers from the towns of Bentley and Rimby and from rural schools in adjacent districts Saturday, the Dillman Valley local of the Alberta Teachers' Alliance was formed.

Ottar Massing, senior intermediate teacher at Bentley, was elected president; H. Wilkie, teacher of the intermediate grades at Bentley, vice-president; Miss Esta Stuart, primary teacher at Rimby, secretary, and Miss Elsie McNeil, primary teacher at Rimby, vice-secretary.

Miss Bernice Auger, Wooddale district; Miss Kathleen McNeil, Lockhart district, and J. W. Mosley, principal of Rimby schools, comprise the program committee. Miss Mollie McLees of Rimby was appointed correspondent to the A.T.A. official organ.

Still in Hospital

Ross Cutler, 13, son of Mayor and Mrs. L. S. Cutler of Rimby, is still confined to hospital in Edmonton, where he has been receiving treatment during the past seven weeks, for injuries received when a splinter of wood penetrated his eyeball, resulting in loss of sight of one eye. It is expected he will be able to return home shortly.

H. Oke-Kim, senior group of the C.G.L.T. of the United Church at Rimby, met recently at the home of Miss Dorothy Newsom, where the young ladies spent the period following their business session working on arithmetic books they are preparing for shut-in children and younger hospital patients of the far north.

Next meeting will be held at the home of the "bachelor girls," the Misses Annie Diggle, Margaret Parmenter and Margaret Craig, three young ladies from rural districts who have established temporary housekeeping quarters while attending high school in Rimby.

Next work on the program will be the making of "Mother's gift" for Christmas. Mrs. W. Race, the leader, met with the girls.

Bombs Set Off

Two bombs brought from Toronto, for the occasion were set off in Rimby on Armistice Day to mark the two minutes silence. L. S. Cutler, president of the Legion and also mayor of the town, was master of ceremonies.

Memorial service was held in the town hall and was well attended. Choir members from three churches sang. A forceful address on "Peace" by Rev. Winfield Rice, pastor of the United Church at Rimby, and a scriptural reading by A. F. Richards, lay reader of the Anglican church here, were given.

A vocal solo, "In Flanders Fields," was rendered by Mrs. Pat Alter of Rimby. Mrs. D. Kennedy, A.T.C.M., played several selected piano numbers.

Elected to School Board

Gladys Chaland was elected to fill the unexpired term of R. E. Hayward, resigned, on the School Board in the Leedale district. Plan to conduct a rural high school in that district has been dropped for this term.

Over 500 people were served at dinner by the Catholic ladies of Rimby and Bluffton in the Rimby Hall on Wednesday, Nov. 18. The dance floor was crowded until early morning hours. Mesdames Isadore and Lawrence Uhl were in charge of the fancy work booth.

Hockey Club Active

At a well attended meeting of the Rimby Hockey Club in the municipal office, Harry Fraser was elected president; Allan Palfreyman, secretary, and W. R. Hoag, manager. Green and white were chosen as the club colors and new suits will be in readiness for the opening game. The secretary has been instructed to get in touch with other teams, with the idea of forming a league.

BARRYMORE AND PROTEGE WED AT LAST

Climaxed a hectic and at times stormy romance, John Barrymore, noted actor, and his youthful protegee, Elaine Barrie, were married at Yuma, Arizona, after a flight from Los Angeles by aeroplane. Barrymore is 35 and was recently divorced from his actress wife, Dolores Costello. Barrymore's bride is 21. Only last August, Miss Barrie announced their engagement had been broken, while Barrymore had been quoted as saying it never existed. They are pictured together here as they attended a social gathering in Hollywood.

Facilities at Church Hall Prove Popular

The odd subscription for the Church Hall Fund still continues to trickle in, and further donations was made during the past week.

The Church Hall Committee of the Ladies' Guild are particularly gratified with the response obtained, and the fund is now within a very few dollars of the objective. The improvements to the Hall will be a boon to all, goes without saying, and already the younger element have taken advantage of the facilities offered.

The School Board recently voted \$100 for the use of the hall for basketball games and \$50 has been received from the Badminton Club, for their scheduled nights, the latter to provide suitable janitor services.

The Church Hall Committee is now securing prices for window protection and other work necessitated by the basketball games, the approximate cost of which will be \$50.

The following subscriptions are gratefully acknowledged:
Previously acknowledged... \$151.35
Harry Law 1.00
Evening Auxiliary 1.25
Ed. Berrey 1.00
Total \$154.60

Alberta's Oil Production Up

The production of crude petroleum in Alberta during the first half of the year is given in a Federal report at 593,763 barrels, made up as follows:

Turner Valley naphtha, 570,848 barrels; Turner Valley light crude, 7,417 barrels; Red Coeur-Border-Kelso light crude, 8,853 barrels; Wainwright heavy crude, 6,286 barrels, and Skiff, heavy crude, 310 barrels.

The World of Fact and Fiction

By ART

Have just finished "Night Over Fish's Pond," by Nora Garrett, obtained from the Lacombe Library. The author reveals a good plot as the story unfolds but in my opinion it would have been less confusing had she described each happening as the book progressed, instead of having one of the characters relate the whole affair as he "fits up" with a corpse.

The action opens with Julius Nettleton, college professor, and his young wife taking up residence in a lakeside cottage for the summer, with Walter Drake (who tells the story) as a guest-boarder.

Another faculty man (Rolf) and his wife (Eloise) arrive to occupy a nearby cottage. Some attachment forms between Rolf and Nettleton's wife, Mary, who has tried hard to please her husband and failed.

Julius, disgusted with the turn of affairs, invites Eloise and her husband, Rolf, to witness a feat of magic at his home. By a gruesome stunt he brings about a scene which reveals the love of Mary for Rolf, and from then on things begin to happen. Julius is drowned; Walter Drake "sits up" with the body; and by his printed thoughts the story is told.

There's a good plot to this novel and the author shows a very keen insight into things in general, but believe the book's value is greatly weakened by the style of narration which Miss Garrett has chosen to use in telling the story.

Iowalta

IOWALTA—Mr. and Mrs. Russell and family spent the week-end in Edmonton.

A very pretty wedding was solemnized at the home of Mr. and Mrs. E. Hurleys on Thursday afternoon, when their daughter, Alice, was united in marriage to Arthur Lewis of Wolfville. These many friends wish them many happy years of wedded life.

Mr. Walter Whitecotton is nursing a sore foot these days. The young people had a very enjoyable time at a skating party and

went out at Mr. Smith's on Thursday evening.

We were all sorry to hear of Mrs. Bouck's illness and trust that she is on the gain by now.

A very pleasant evening was spent when friends and neighbors gathered at the home of Mr. Keys to surprise him on his 70th birthday on Thursday evening.

The Misses Eileen Zieck, Birdie Smith and Dorothy Russell spent the holidays at home.

"Notorious criminals are often by-products of the sensational press that could hardly maintain itself without them."—Lewis E. Lawes.

HAVE YOU SEEN THE NEW METAL WINTER FRONT?

The World of Wheat

By H. G. L. STRANGE
Director, "Crop Testing Plan"

ARTICLE No. 3

"Canadian wheat is not generally suited to the British market!" Such was the opinion of a leading British corn merchant concerning wheat from Eastern Canada in 1822.

"Manitoba No. 1 Hard is the highest quality wheat in the world!" But this was the opinion of the British grain trade in 1876, when the first shipment of wheat left Western Canada.

What put this extra quality or "strength" into Western wheat in

1876 and what has maintained it there ever since? It is the result of probably tens of thousands of years of stored-up fertility in our prairie soil, coupled with much sunshine, and a small annual rainfall which, while sufficient to produce a fair yield per acre, is not heavy enough to wash the precious nitrates out of the soil.

As well it is the result of the activities of countless millions of workers, the micro-organisms that live in the soil, which transform the fertile humus and other elements into quality-making "soup," rich in nitrates, that in turn make protein available to the plant.

All wheat varieties can absorb this rich "soup," but only a few particular varieties, it seems, are able to transform it into quality or "strength."

The following forces have tended recently to push wheat prices up: Italy continues to import wheat freely; Denmark cancels taxes on import grain; seeding backward in the Balkans and reduction in acreage expected; United States lays Argentina corn heavily; Finland needs large imports of rye; expected Spain will require large quantities of wheat.

Prices have tended to decline because of record winter wheat acreage in U.S.A. and crop in excellent condition; wheat cutting in Australia now proceeding favorably; Indian rice acreage large (estimated at 78 million acres); demand for Canadian wheat declining somewhat; Canadian countries concentrating on permanently holding export markets for grain.

The Western Globe has made arrangements with H. G. L. Strange to answer any questions, within his ability, on problems of the farmer, so any of our readers may write him direct as follows: H. G. L. Strange, Director, "Crop Testing Plan," Room 357, Grain Exchange Bldg., Winnipeg.

"The abolition of disease will make death a physiological event like sleep. A generation that has lived together will die together." J. B. S. Haldane.

Lord Tweedsmuir Watches College Gridders

Lord Tweedsmuir, governor-general of Canada was an interested spectator at the Queens versus Toronto intercollegiate rugby game in Kingston which saw Reeve's Tri-color soldiers whip the men of Verity 6-1. His Excellency is shown in his box wrapped in a Tri-color robe watching the gridders in action.

—Central Press Canadian Press

Livers Not Sluggish On Pacific Coast

An active liver is the sign of a good disposition. It seems to work that way with halibut men on the Pacific and Atlantic coasts. A few years ago Science made the discovery that halibut livers are a potent source of vitamins and other elements good for the body. Large medicinal and drug organizations immediately began to buy up all the halibut livers in sight. Back in 1931 they paid 23 cents a pound out at the Pacific and only slightly lower than that for the Atlantic product. Then demand increased, promoted a scarcity, and the price went to 36.5 cents a pound in 1935. Now the offers are around 45 cents a pound.

Huge Output
Last year, 10,192,000 pounds of halibut were produced on the Pacific Coast and the quantity of black cod was not far short of 1,000,000 pounds, while there were fine landings also of ling cod, red cod and cod. With a continuation of the 1935 standard this year, medicinal activity in halibut livers should add much additional revenue not only to jubilant Pacific cod and halibut men, but their brothers on the Atlantic as well.

The following sign is reported to have been erected in a farmer's field in the far west:
"If any man or woman's oxen or cows gets in these oats, his or her tail will get cut off, as the case may be."

Assist Breeding of Sheep in Canada

Much assistance is now available to farmers and breeders in the selection of the breeding stock of sheep. The Dominion Department of Agriculture and the Provincial Departments have established staffs of sheep specialists and agricultural experts who are always at the service of farmers and breeders, and it is usually possible to obtain their advice and their services in the choice or selection of breeding ewes. Governmental policies, such as the Sheep Club Policy, provide a means whereby young farmers can be assured of specially selected ewes at market values. Farmers wishing to start sheep raising are encouraged to avail themselves of the advantages of Dominion and Provincial policies, as well as of the vicinal officials.

Farmers and breeders themselves are recognizing more and more the necessity for caution in the purchasing of sheep. Fortunately, judging demonstrations, sheep marketing courses, and other educational features, are making it possible for the young prospective breeder to better equip himself with much of the essential knowledge of mutton conformation and character of breed.

First-Hand Knowledge
Rams grazing which is in vogue in many provinces enables farmers and breeders to obtain first-hand knowledge regarding the quality of rams produced in the various provinces. Prospective buyers are assured that a competent official has given an unbiased judgment on the animals offered for sale. If the prospective buyer wishes, he may pick out from the list of graded stock those breeders who in his opinion should have the best quality rams. If the distance or expense is not too great, he may visit the farm and make a personal selection, knowing that his choice can be made from grades already established. Farmers and breeders who wish to buy by mail may order from the official grades established in the various flocks.

The latest information to prospective sheep breeders is contained in a bulletin, "Advice to the Beginner in the Selection of Sheep for Breeding," by A. A. MacMillan, and may be obtained free on request from the Publicity and Extension Branch, Dominion Department of Agriculture, Ottawa.

A young man, having booked a passage on the Queen Mary, wrote to some friends and stated that he had a lovely cabin only ten minutes from the sea.

Sport-Scope

By JACK McCAUGHERTY

Basketball in the school is here. The Church Hall has been rented for school basketball three days a week, both in the afternoon and evenings—Mondays, Wednesdays and Fridays from 4 p.m. to 6 p.m. and from 6:30 p.m. to 9 p.m. The league will be drawn up for games next week in time with this setup.

The players are divided into two divisions, according to their playing ability. In the "A" Division for the boys there will be two teams, while in the "B" half three squads will see action. The girls form a two-team "A" Division also, setting four teams on the floor in the "B" class.

This week will be devoted to arranging teams and getting a little practice before the league opening next week. If everything runs off "O.K." it has all the earmarks of an interesting basketball season for the school. And we hope that all those taking part will do their share in making the league a success—and we do mean you.

Seeing that last year's Central Alberta Hockey League has been broken up, it has been arranged that a new circuit will operate this season. Representatives from the hockey clubs interested in starting a new league got together last Sunday and when they came out of the huddle a new league had been formed. Won't be long now!

Morningside

MORNINGSIDE.—The entertainment sponsored by the W.M.S. of the United Church was quite a success. The weather and roads were everything that one could desire, but owing to so much sickness in the community, not as many were present as might have been.

The concert given by the United Church Choir of Ponoka, under the able leadership of Mr. Geo. Bowker, was a real treat. There were soloists, a ladies' chorus and a mixed choir. All numbers were well chosen, and splendidly rendered.

Special mention may be made of "Teddy" Hale with his comic songs and flute solos, which brought forth hearty encores. Mr. Bowker is always a welcome visitor to the Morningside people and delighted everyone present with his French-Canadian readings.

Others taking part in the program were Mesdames Glendinning, Mathews, Nichols, Neilson and McIntosh. Mr. Williams was pianist for the evening. Rev. J. A. Perrie was a very pleasant chairman.

Spend Winter at Coast
Mr. James Ward, Mr. Lyall and Mrs. Ward and Calum Patterson are spending the winter at the Coast.

Mr. and Mrs. Good of Calgary have been recent visitors at the Chesney home.

Mr. and Mrs. W. E. Proctor and little daughter Gretchen spent a few days in Edmonton last week.

The C.G.T. girls were entertained at the home of Miss Mary Carter last Friday evening. All report a most enjoyable evening.

DEAR VA. ELKS

"Going to the lodge, Henry?" asked the young wife, in surprise. "I didn't know you were a member of any lodge."

"Why—yes—Jessie, I belong to the Elks."

"And would you rather spend the evening with a lot of Elks than with your own little dear?"

And Henry meekly hung up his coat and hat again.

TRUE

"The prison team won the football game with the cadets." Well, that proves the old theory that the pen is mightier than the sword.

Lincoln

LINCOLN.—The ladies are making plans to hold a novelty dance on New Year's Eve. More particulars will be given later.

Miss Rita Saunders Mrs. Bert Bradley and Clayton Bradley spent

last week-end with Mr. and Mrs. Gordon Gilbert of Delburne. Miss R. Saunders returned home with them.

Mrs. V. Wiles is spending the winter with her daughter in California. Quite a number of people from this district attended the Amalgamated Ball in Lacombe on Nov. 11th.

If Your Hogs or Cattle

New 1937 Ford V-8s Announced

Two of the most popular body types in the entire Ford V-8 line are the de luxe Fordor touring sedan (above) and the Tudor sedan (below). The new 1937 editions are shown. The smart new front end, new headlamps, V-type windshield and use of the "steer drop" form wherever practicable, combine to give what these two beautiful Ford yet produced. The Fordor touring sedan is a family car especially suitable for touring. It boasts a roomy built-in trunk. The Tudor sedan has a new full-width front seat, with divided tilting seat back. Two engine sizes are available, the famous 36 horsepower V-8 engine and a new 60 horsepower V-8 engine. Mechanical improvements include new all-steel body, with steel top; "easy-action" safety brakes and new "finger-tip" steering.

THESE NEW 1937 FORDS WILL BE HERE SOON

Early Lambs Are Profitable

More lamb is being eaten than formerly in Canada, principally because more attention is being paid to its production as food. It has been clearly proven that the consistent study of the market for the outlet of lamb is a profitable business, and lamb is now being eaten all the year around in Canada. At the same time there are several essential points to be considered, and information on the subject, particularly on early lamb production, has been prepared for the benefit of breeders by A. A. MacMillan, Field Services, Livestock Branch, Dominion Department of Agriculture.

With regard to early lamb production, most of the more popular breeds of sheep in Canada are suitable producers, grade ewes of Oxford, Hampshire, Dorset Horn, Leicester, and Southdown, breeding being the best known. Certain strains or families within breeds are more adapted than others for the purpose and selection of ewes that breed regularly for early lamb production should be made from year to year. Farmers intending to raise early lambs should have all the ewes identified, so that breeding dates are recorded and lambing dates definitely known. Much of the loss in raising early lambs occurs because ewes bring forth their young out of doors in cold weather and the lambs are lost through exposure.

Bring Higher Price
The advantages in producing early lambs are that these lambs sell for a higher price per pound, and when the lambs are sold, early pastures are saved for other stock just at the time the pasture problem is most acute. Another important point is that parasites do not infest lambs on dry feed, and thus marketing early lambs helps to control parasites in sheep.

Ewes may be bred for early lambs two months after the current lamb crop is weaned. If lambs are weaned in July, ewes may be bred in September or October. If lambs are weaned in August, ewes may be bred in October or November. Ewes bred

to lamb early should be carried through the winter in a thrifty condition, neither too thin nor too fat. It is always wise to start feeding grain a month to six weeks before lambing. Clover or alfalfa hay should form the basis of the hay feed. Regular exercise should be provided and plenty of fresh water available.

Weights for Selling
At Easter time, lambs are sold at weights as low as 60 pounds, provide they are fat. An early lamb should weigh 80 to 90 pounds at the farm to be in prime condition. Further information, including the care of ewes, is contained in the circular which may be obtained from the Publicity and Extension Branch, Dominion Department of Agriculture, Ottawa.

SAY GASOLINE TAX IS EASY TO EVADE

The gasoline tax is an important source of provincial revenue in Alberta and could be made more so. In 1935-36, according to figures quoted in the Elliott-Walker survey of the province's fiscal problems, collections amounted to \$3,231,153. Against this figure must be set rebates to gasoline consumers amounting to \$832,477. If commissions be included, the total deduction from the revenue received from this source amounted to \$1,010,251, or 31.26 per cent of the total collections. Net returns to the province was \$2,220,906, or 13.5 per cent of total revenues for the year.

Rebates are granted on the assumption that the tax is intended to provide for debt charges and upkeep in connection with the provincial highway system, and therefore gasoline used elsewhere than on the highways should not be taxable. The flaw in the act is that it is difficult (if not impossible) to keep track of the uses to which gasoline is sold. It is probable that much of the gasoline on which the tax is rebated is used on the highways.

To correct this weakness it was recommended by the Alberta Tax Inquiry Board in 1935 that the rate of tax be reduced from seven cents to four cents a gallon, and that rebates be abolished. This would do away with evasions of the tax and would probably increase the province's net revenue from this source. The recommendation has not yet been carried out.

Lakeside
LAKESIDE—Last Friday evening a farewell party was held in the Canyon School in honor of the Lowery family, who are leaving the district. They expect to spend the winter in British Columbia.

The Social Workers held their meeting last week at the home of Mrs. Flewelling, and a good crowd attended. The sewing was all turned in and four good parcels of clothing were made up and distributed to the needy.

Mr. and Mrs. C. Bauer and family have moved to Calgary, where they expect to reside in future.

Fine Hunting Trip
Mr. Veathrin and Mr. Lee of the Canyon district have returned from a hunting trip and report excellent luck, their party bagging moose, deer, bear and cougar.

All who attended the last dance in Lakeside will be pleased to hear that the Lakeside Community Recreation Club is sponsoring another dance on Nov. 27th. Another good time is assured.

The Lakeside Canyon Social Credit Group met in the Lakeside School on Tuesday night, and made plans for holding the annual meeting on Dec. 2nd.

Sad Sam says he took his girl to a "barn dance" recently and she gave him the same old stall.

Thursday evening—Choir practice at 8:00 p.m.

Blackfalds—Children's service at 10:30 a.m.; Holy Communion at 11:00 a.m.

Mass Meeting of church people will be held in St. Luke's Hall on Friday next, Nov. 20th, at 8:00 p.m. Speakers: The Lord Bishop of Calgary, Archbishop Swanson and Mr. E. A. Hookway.

ST. ANDREW'S UNITED CHURCH
Rev. R. E. Layton, R.D. Minister.
Services at 11:00 a.m. and 7:30 p.m.
Sunday School at 11:00 a.m.

Increased interest is being shown in the proposed National Mission, and there is a larger attendance at divine worship. The messages on Sunday will be stimulating.

CHRISTIAN SCIENCE
At all Christian Science churches next Sunday, the subject of the Lesson sermon will be "Soul and Body." The following is one of the Scriptural quotations contained in the Lesson-Sermon: "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect will of God" (Romans 12:1, 2). One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is as follows (page 223): "When the sick or the sinning awake to realize their need of what they have not, they will be receptive of divine Science, which gravitates towards Soul and away from material sense, removes thought from the body, and elevates even mortal mind to the contemplation of something better than disease or sin."

ANY DAY IS A FISH DAY
A Message From the Premier of Alberta

The campaign now under way to stimulate consumption of fish is a worthy one. We in Alberta are as anxious to see the fish producing provinces of the Maritimes and British Columbia find a market for their fish as we are ourselves concerned in obtaining a good market for our wheat, beef and coal.

In addition to the large quantities of good beef and other meat products produced in Alberta, we have in this province a small quantity of the finest fish in Canada. I am always happy to extend my best wishes to any program which encourages the consumption of our own home products.

William Aberhart
CORRECT

"Johnny, the Hudson river flows into New York bay. That is its mouth. Now, where is its source?" asked the teacher.

"At the other end, ma'am."

Increase in Jobs
Is Serious Problem
(Continued From Page One)

come a serious problem. There were 11,410 of them last week as compared to 8,422 in the same week a year ago.

Dr. Cross proposed the adoption of a three-project work plan for this winter when he conferred with Mr. Rogers. This plan would take care of all single unemployed men who cannot be placed on farms under the Dominion-provincial agreement. The three projects on which work was urged by Dr. Cross were the Jasper highway, the Peace River highway, and the North-westward connection with the Jasper-Lake Louise highway. The latter highway was not included because it is entirely within the Dominion parks jurisdiction.

Mr. Rogers said that while he felt favorably toward the proposals of Dr. Cross, he could not say definitely what would be done about the suggestion until he had conferred with his cabinet colleagues at Ottawa.

Remembrance Day was observed in Edmonton on Wednesday with appropriate ceremonies and services. At the Prince of Wales Armories a large service was held by the Edmonton Garrison units and the general public, and again, in the afternoon, a service of commemoration was held at the new cenotaph on McDougall Drive, at which Premier William Abernethy and other prominent citizens and officials "laid wreaths of remembrance at the foot of the stone monument."

A strike of gravel truckers working on the Calgary-Edmonton highway, which was threatened last week, came to an end before it began when the Department of Public Works announced Tuesday night that the work of hauling gravel would be stopped for this season as there was enough on the highway for the present.

Alberta University students staged a battle between the medical and engineering departments on Friday, which cost some of them considerable in repairing personal damages. The engineering students took offence at one of their banners hung out of the medical building with a skull and crossbones imposed on it. They stormed the medical building and started a rowdy fight which lasted long enough to result in badly torn

clothing and some bruises. The "meds," in defence of their building and finding themselves badly outnumbered, took a fire hose and turned on the water, drenching the attackers in good shape. As a result of this, they will have to pay a fine of \$500 levied for such a breach of rules. And besides this, repairs to torn shirts and suits spoiled will be expensive.

Blackfalds

BLACKFALDS — The Willing Workers met at the home of Mrs. Fred Miller on Nov. 15th, with a fairly large attendance. Arrangements were made to make the final payment on the hall, recently purchased, and plans were set for the hiring of the hall. It was also arranged that two members will look after the hall each month.

The first to rent the hall were the High School students who hope to put on a dance in the near future. A whist drive was held at the home of Mr. and Mrs. Farwell on Friday, Nov. 6th, and despite the cold weather then prevailing, there was a good turnout, with nine tables occupied. First prizes went to Miss Marie Bennett and Mr. J. Walker. The consolation prizes remained at home as Bob Farwell claimed the men's and the hired girl won the ladies' prize.

Mr. and Mrs. Phil McLennan were visitors at the home of Mr. and Mrs. Walker at Spruceville on Sunday last.

Quiet Wedding Held
Mrs. McKay was married last Thursday at a quiet wedding held at her home, with Rev. R. M. Layton of Lacombe officiating. Only a select group of friends and relations were present at the ceremony. The fortunate groom was Mr. William McEwan, and after the ceremony the happy couple left for a few days in Edmonton.

The rainy weather of the past two weeks, following sub-zero temperatures, has been very welcome. One local gardener gathered panicles from the garden on Nov. 15th, which must surely be a record — and more blooms are on the way. If the weather will, only hold out long enough to permit it.

Mr. Apps, who has had to lay off work several times during the summer, is again on the sick list, and his friends wish him a speedy and lasting recovery.

Mayor Wilson has moved into his new home and continues to devote much time to superintending the construction of a village rink, on which great progress has been made.

IT'S JUST TOO BAD

When a garage man
Makes a mistake, he
Adds it on your bill.

When a carpenter makes
A mistake, it's just
What he expected.

When a preacher makes
A mistake, nobody
Knows the difference.

When a judge makes a
Mistake, it becomes
The law of the land.

When a doctor makes a mistake
He buries it.

But when an editor
Makes a mistake —
Good night!

"A player can get attention and publicity with a show of temperance but that has absolutely nothing to do with acting." — Adolph Menjou.

Spruceville

SPRUCVILLE — The trustees of Spruceville School are putting on a card party ("500") in the hall on Friday evening, Nov. 27th. The proceeds are to go to the Christmas entertainment. As so many enjoy this, it is to be hoped that a good crowd will turn out.

Mr. and Mrs. Nelson Hill and Margaret returned from the East on Tuesday. They report having a splendid time visiting relatives and renewing old acquaintances, but they also say they encountered quite a bit of rain.

Mrs. Barnes had the misfortune to sprain her ankle on Tuesday. Last Friday night, Mrs. Laura Young entertained some of her neighbors at cards. Mrs. Dave Boden and Mr. Parker took the high honors, while Mr. Heath and Mrs. Dave Boden shared the low. There was much regret felt that Jimmie Johnson had to be absent owing to the very serious accident which occurred to his father. It was thought that Mr. O. S. Young's absence was caused by Mary Alice being laid up. However, a very jolly evening was spent and after a dainty lunch was served by the hostess, the party broke up in the early hours of the morning.

Dance Date Changed
The Juniors had hoped to put on a dance Dec. 4th but they were anxious to hear Ruth's Orchestra play at Spruceville. However, the earliest date the orchestra could give was the 18th, so kindly note that the dance scheduled for the Dec. 4th will not take place until Dec. 18th.

Mr. and Mrs. C. B. Burton entertained a few of their nearest neighbors in honor of the bride and bridegroom. Mr. and Mrs. E. C. Crooker, Cards were the order of the evening.

Mrs. Boyd Crooker has returned to her home after having spent two weeks in Alisa, visiting with her folks.

Miss June Dunn of Pendry, known to many around Spruceville, has taken up residence at the Heath's home. She arrived last week and is busy renewing old acquaintances.

Car Disappears From Front of Church
Disappearing from in front of the United Church Sunday afternoon, a car owned by Rex Fliegel of Morris was recovered Sunday night only two blocks from where it was missed. Constable Sam English of the local police identified the missing car.

It is believed that the car was moved by juveniles as a practical prank.

CELEBRATES 25 YEARS AS BANKER

RIMBEY — Mr. Arthur Franklin, manager of the Bank of Montreal, marked the 25th anniversary of his entering the banking profession on Tuesday. Mr. and Mrs. Franklin and their three children moved to Rimby in 1914. He has spent his banking years in the West and has served in many positions, always taking a keen interest in civic affairs, in church, social, theatrical and business circles.

Mr. and Mrs. Franklin entertained at dinner Tuesday evening for 20 guests, among them Mr. and Mrs. J. B. Trotter of Calgary.

Born in Rickmansworth, England, educated at Watford Endowed School, Hertfordshire, Mr. Franklin came to Canada in 1910 to accept a position as stenographer in the general passenger agent's office of the C.P.R. in Montreal. In 1911 he joined the staff of the Bank of British North America, now in the Bank of Montreal, and in 1915 joined the 1st Canadian Mounted Rifles.

Return to Banking
After war-time service, Mr. Franklin re-entered the banking profession and has since that day served successively at Waldron, Sask.; Portage Ave. branch, Winnipeg; Laramie, Regina and Saltreals, Sask.

In 1922 he was appointed manager of the branch at Inverwood and served in the same capacity at Perdue, Sask., and at Morris, Daysland and Rimby, Alta. Mr. Franklin is a member of the Anglican church and of the Masonic fraternity.

He is fond of amateur theatricals and has taken many parts in plays and skits. His favorite role, that of "Lal Roper" in Sir Arthur Pinero's "Mind the Bells," he played on one occasion in the Court Theatre, London, England, under the direction of the Garrick Club management.

BAPTIZED
At a baptismal service held in St. Cyprian's Church, Lacombe, Saturday last, Blake Wyndlow, 3 years, and Thelma Wyndlow, 11 months, were baptized. Mr. and Mrs. V. G. Wyndlow of Bentley are the children's parents. Rev. W. E. Herbert officiated.
